

Brora Rangers

Provision of Stewards Policy

Provision of Stewards

Stewarding for all home fixtures is provided by Brora Rangers Football Club committee members and additional volunteers. The Club has separate Steward's Code of Practice detailing responsibilities.

Steward Supervision

The supervision of the Stewards at Dudgeon Park will be delegated to a Committee member appointed by the Club Safety Officer for each home game.

Steward Numbers

Steward numbers will vary for each game played according to the expected crowd number. Brora Rangers average attendance at each home game is approximately 450. For crowds of this size the minimum number of Stewards that will be present will be as follows:

Static Posts:

- Dudgeon Park Road main entrance and car-park: Two Stewards present up until half-time.

Mobile posts:

- Stand - One Steward patrolling this area.
- Enclosure - One Steward patrolling this area.
- Park perimeter – main entrance and car-park stewards to be utilised to cover these areas.

A minimum number of four Stewards will be present and allocated Stewarding positions for each home game.

For expected crowds greater than average Stewarding numbers will be increased by the following numbers:

- Crowds up to 1,000 - additional two Stewards over normal level.
- Crowds up to 1,980 (ground capacity) - additional four Stewards over normal level.

The Stadium Tannoy system will be used to communicate safety messages to the stewards. For crowds in excess of 1,000 all Stewards will get a safety briefing before the start of the game.

Steward Training

All Stewards who assist on a regular basis will be suitably trained. In addition, all Stewards will also be given a safety induction which informs them of the Clubs overarching Health & Safety Policies and Procedures.

Stewards who assist on an infrequent basis will be partnered with an experienced Steward, and these Stewards will be briefed by the experienced Steward on the duties expected of them.

Brora Rangers Football Club does not deploy any specialist Stewards for disabled spectators or children, but all Stewards are tasked with assisting any disabled spectators as necessary.
