

## **BRORA RANGERS IMPROVEMENT TRUST (BRIT)**

**Thank you for your interest in supporting the development of Brora Rangers FC through a fans fund.**

### **AIM**

**The aim of BRIT is to stimulate and help fund ground improvements at Brora Rangers FC.**

### **Core principles**

To be a member and become eligible to vote, regular contributions to BRIT shall be no less than £5 monthly or a preferred period equivalent. Each member needs to have paid into the fund in the 12 month period preceding a vote to remain eligible.

Each member will get a single vote on options presented for use of funds and other proposals made.

To ensure complete flexibility of BRIT, the aim, core principles and administrative outline can be altered through a vote supported by more than 50% of eligible members.

### **Administration**

To start making contributions, you can complete an enquiry form via the club website <http://brorarangers.football/> or send an email with your full name to [fansbrit@btinternet.com](mailto:fansbrit@btinternet.com). To identify members, each member will be allocated a three digit reference number which must be quoted in payments made. Payments to BRIT can be made by standing order or bank transfer to an account set up specifically to service our aim.

A volunteer team of administrators will look after the fund, and at their discretion, they will poll members, supporters and the BRFC committee to obtain proposals for best use of funds. Based on budget availability, the administrators will draft options and present them to members for a vote.

Voting will be undertaken through email exchange with the trust administrators who will issue voting instructions to members.

Following each vote, the outcome will be advised to members, and if appropriate, the administrators will approach BRFC to offer financial assistance as determined by the vote.

Administrator duties include being signatories to the bank account for BRIT, subject to completion of the change of signatory process with the bank. Release of funds will require signatures from two administrators.

Trust administrators are, until further notice; David Freeman; Colin MacBeath; Stuart Clark; Donald MacLennan. Members will be polled on replacement administrators when either members request a vote or an administrator is no longer able to carry out duties.
