

Brora Rangers

Contingency Plan

Delayed Start

If for any reason the start of a fixture is to be delayed, the spectators will be kept informed of the situation over the public address system or by Club Officials and Stewards as appropriate.

Match Abandonment

Where any fixture/event is cancelled before spectators are admitted to the Ground, the Club Secretary will ensure everyone listed as follows are informed:

- Highland League Secretary
- Visiting Club
- Match Officials – Referee and Assistants
- Moray Firth Radio
- Match and Match Ball sponsors
- HL.net

In addition the club web site will be updated to inform readers of the abandonment.

Where appropriate, every effort will be made to contact the visiting Club (team) and request them to use their local Radio Station to advise cancellation of the game for their own supporters.

Where spectators have already been admitted prior to the decision to abandon the fixture is made, the Safety Officer or most senior Club Official present will ensure all entrances are immediately opened and Stewards informed of the decision.

The Safety Officer or most senior Club Official present will advise spectators inside and outside the Ground of the situation by use of the public address system, and/or loud hailer and request them to leave via the normal exit route.

Where a fixture is abandoned before kick-off a voucher/ticket will be offered to all admitted paying spectators allowing free entrance to the rearranged fixture. For any fixture abandoned after half-time no such arrangement will apply. Full price admission will apply for a fixture rearranged under these circumstances.

Where a fixture is abandoned after kick-off and before half-time a voucher/ticket will be offered to all spectators allowing reduced entrance to the rearranged fixture. For any fixture abandoned after half-time no such arrangement will apply. Full price admission will apply for a fixture rearranged under these circumstances.

For league games season ticket holders will be unaffected as season tickets will be valid for any rearranged league fixture. The use of season tickets is not appropriate for any Cup games.
